

The word Gay.

 Gay is a  word  that  can  mean  different  things.

It  can  mean happy.

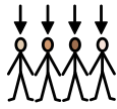

It  can  mean loving  someone  of the  same sex.

It  can  also mean bad  or stupid.

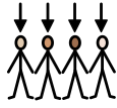

It  is not  okay  to use gay  to mean bad  or stupid because this is

 offensive.

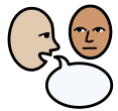

Offensive  means it is  very  upsetting  to lots of people.

It is okay for everyone to be different.

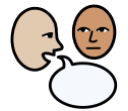

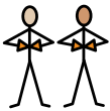

It is okay for everyone to love who they want to.

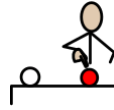

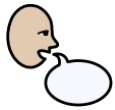

It is okay to say gay to mean a gay person who loves

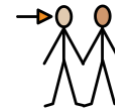

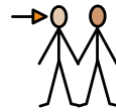

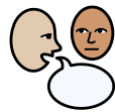

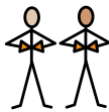

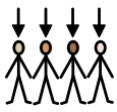

someone of the same sex.

If we mean that something is bad or stupid, we can say

the word bad or stupid instead. This is okay.

Everyone is happy for us to tell them how they feel.
